<p>Loughton &amp; Great Holm</p>	<p>The Parish Council had recently arranged for a survey undertaken a survey of the roof of the Loughton Sports pavilion, the survey report, indicated that the condition of the roof was in a bad state of repair, and recommended its replacement with a slate or metal roof</p>	<p>£25,000.00</p>	<p>£5,000.00</p>	<p>Milton Keynes Council's Development Control Directorate had been approached for advice as to whether the replacement roof would need planning permission. Once advised that permission would need to be sought, a planning application was submitted, and was successful with permission being granted.</p>	<p><b>Support</b></p>
<p>New Bradwell</p>	<p>The Stonebridge allotments, better known locally by name as the "Caladonian Road". Have been neglected resulting in being under subscribed over the years. The lack of subscription is due mainly to the open nature of the site. Thus not providing security, adding to this that there is no running water, nor toilet facilities. And the demarcation of each allotment has blended due to unruly shrubbery/weeds. In contrast "The Drill Hall" Allotments have the above facilities and are indeed well subscribed. Our vision is erecting a suitable visually pleasing fence around the perimeter, install mains water with stand pipes and taps. Provide toilet facilities. And to prepare the plots by rotovating and strimming weeds/brambles</p>	<p>£10,000.00</p>	<p>£5,000.00</p>	<p>Approx £10,000 a breakdown is TBC as quotes still outstanding. From parish precept and other grant sources, we will be approaching the following organisations for funding.  -Heritage Lottery Funding (Landscape partnership scheme) -National Allotment Gardens Trust Ground Work Uk via Tesco Bags Of Help</p>	<p><b>Support</b></p>

Parish Partnership Investment Fund 2017/2018

<p>Old Woughton</p>	<p>Gates and signage for the entrances to the parish and old village of Woughton on the Green ( x 5). Purpose is threefold: A) Traffic calming through residential / rural location on minor small roads which are accessed from dual and heavily used key roads (H7,H8,H9). The parish is crisscrossed with footpaths, redways, bridleways and open spaces which converge on the Newport Road at several points B) Heritage Statement - Woughton on the Green is an exceptional heritage asset both as one of the villages taken in by the New Town and due to unique features such as the Ancient Scheduled Monument, high number of listed buildings, largest Village Green in N Buckinghamshire and its low density conserved rural quality..C) Aesthetic enhancement to unique destination location - reaffirmation of this</p>	<p>£10,000.00</p>	<p>£5,000.00</p>	<p>spoken to DAVID HALL - HIGHWAYS MR FROST - HIGHWAYS DANIEL MULLINS - RINGWAY. Appropriate materials will be used and maintenance carried out funded by OWPC</p>	<p>Support</p>
<p>Olney</p>	<p>Provide 10 bollards containing electric sockets and 2 power master pop up units to provide electric points for market traders and other community groups that hold events on the Market Place</p>	<p>£30,000.00</p>	<p>£5,000.00</p>	<p>to be owned and maintained by the parish council</p>	<p>Support</p>
<p>Shenley Brook End &amp; Tattenhoe</p>	<p>to renew flooring in the round room, toilets and kitchen areas in Emerson Valley Community Centre</p>	<p>£5,000.00</p>	<p>£2,500.00</p>		<p>Support</p>
<p>Stony Stratford</p>	<p>To fund 3 park tables and benches including installation at the Mortimer park location to provide additional seating and picnic spaces for the local community to encourage greater utilisation of the site - Mortimer Park Calverton Road</p>				<p>Not Supported</p>

Parish Partnership Investment Fund 2017/2018

Walton	<p>Monellan Grove, Caldecotte by play area - completely overhaul the existing flower beds, removing shrubs and re-planting with more suited species and bulbs. Further works would be carried out to repair brickwork, repair and/or replace benches along with the steps adjacent to the play area.</p>			<p>The site is adjacent to the site of scientific interest, the mediaeval village of Caldecotte and as such is a valuable local amenity which should be preserved and enhanced.</p>	<p><b>Not Supported</b></p>
<p>Improvements to landscaping at Hindhead Knoll. To improve landscaping at the far end of Hindhead Knoll to create a more accessible environment for people of all ages to enjoy. These works will compliment further improvements planned to re-locate the Walnut Tree Play Area to the bottom end of Hindhead Knoll. The long-term aim is to create a multi-purpose communal hub for the local community to build a community sense of belonging and well-being</p>			<p>To maintain and keep local authority owned open space in a good and decent state, Open Spaces Act 1906, section 10</p>	<p><b>Not Supported</b></p>	
<p>There are a number of ponds within the parish, mainly concentrated in Old Farm Park, Browns Wood and Caldecotte. The ponds are all located in residential areas, which the general public should be able to enjoy on a daily basis. The ponds are considerably overgrown, damaging the natural ecosystem. In addition some have boardwalks or dipping platforms, which are in a poor state of repair. It is proposed to completely overhaul the ponds by removing the reeds, dredging the silt where needed, removing or repairing the boardwalks/dipping platforms and removing overgrown weeds and shrubs surrounding the ponds. The project would aim to involve local volunteers and members of the community to help ensure areas are created which all ages can enjoy in a safe and natural environment.</p>	<p>£10,000.00</p>	<p>£2,500.00</p>	<p>A more efficient landscape to manage, improved wildlife habitat. A safe amenity for children and people of all ages to enjoy to creating safe access routes leading to to natural wildlife environment.</p>	<p><b>Support</b></p>	

Parish Partnership Investment Fund 2017/2018

	<p>Parsley Close Play Area – landscaping improvements.                  The children’s play area located off Parsley Close, Walnut Tree is situated within a small wooded area adjoins additional areas of open space which the wider public should be able to enjoy. The landscaping is significantly overgrown to the extent that the seating areas, pergolas and surrounding ascot railing are in disrepair and frequently inaccessible.                  The adjacent brickwork portraying a “compass” is covered in detritus and weeds.                  It is proposed to completely overhaul the existing flower-beds, removing ascot railing and re-planting with more suited species and bulbs.                  Further works would be carried out to repair brickwork, repair and/or replace benches, remove the growth from the pergolas before re-painting. and                  The project would aim to involve volunteers and members of the community to help ensure an area is created which all ages can enjoy in a safe environment</p>		<p>The Community Council oversee Parish Guardians as part of a volunteer programme. This area has been identified by two of the Guardians who are keen to be actively involved in ongoing maintenance and care of the area in question.</p>	<p><b>Not Supported</b></p>
<p>West Bletchley</p>	<p>Remove 53 tree stumps around the parish including top soiling</p>		<p>Does this meet criteria not asset ?</p>	<p><b>Not Supported</b></p>

Parish Partnership Investment Fund 2017/2018

<p>Woburn Sands</p>	<p>To supply and install 2 Town maps and 2 notice boards  Woburn Sands has had huge new building increasing the population of the town by 50% and dwelling by over one third. We have tried to integrate this huge development by promoting Milton Keynes and all services and advice including Woburn Sands. We need a full Town Map indicating all major buildings, community and faith buildings. As the Town has now become so large we need a completed street map of our Town for everyone visiting Woburn Sands and for all our residents. Our Noticeboards advertise all facilities and advice that Milton Keynes Council as well as the Town Council. Including all public exhibitions and consultations contact telephone numbers and web sites</p>	<p>£4,400.00</p>	<p>£2,000.00</p>	<p>We have researched and specified the longest lasting materials, which will not be wood.</p>	<p><b>Support Notice Boards but not Maps</b></p>
<p>Wolverton &amp; Greenleys</p>	<p>To remove 81 light fittings and supply and install 39 LED lighting fittings for the Summerlin Centre. This type of lighting is very expensive, and part of the refurbishment works carried out by developers included many lights in the Hall. The Town Council would feel that it would be beneficial to replace these with LED lighting.</p>	<p>£2,600.00</p>	<p>£1,300.00</p>	<p>We have reduced number of fittings and the wattage of each light fitting has been reduced significantly over 75%</p>	<p><b>Support</b></p>
<p>Woughton</p>	<p><b>To create an office in the first floor of Wolverton Library. This office will be rented out to create income to sustain the future of the Library for Wolverton.</b>  The Hub Local Centre Garraways Coffee Hall Replacement of entrance door to council chambers/multi purpose public room to a push pad automatic opening door to enable easy access for disabled users at Woughton Community Council The Hub Local Centre Garraways Coffee Hall MK6 5EG</p>	<p>£5,400.00</p>	<p>£2,700.00</p>	<p>We have several residents that use crutches/walking sticks, and two in mobility scooters who are members of our regular groups, and they find access difficult unless someone is there to help</p>	<p><b>Not Supported</b></p>
