

School Crossing Patroller

Informal public consultation results

November 2022

An informal public consultation took place between 10 November and 22 December 2022 to ask for views and feedback on our proposals to move to a grant-based system for School Crossing Patrollers.

The consultation was publicised on the Council's channels and was featured in the local paper, the MK Citizen.

16 direct responses were received to the Highways service including representations from several MK schools across different areas of the borough, both rural and urban.

Areas included:

- Bletchley
- Emerson Valley
- Haversham
- Newport Pagnell
- Oakgrove
- Shenley Brook End
- Tattenhoe
- Wolverton
