Declaration

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user.

If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in Note 6.

It is a condition of this temporary event notice that where the relevant licensable activities described in Licensable Activities section include the supply of alcohol that all such supplies are made by or under the authority of the premises user.

The information contained in this form is correct to the best of my knowledge and belief.

I understand that it is an offence: (i) to knowingly or recklessly make a false statement in or in connection with this temporary event notice and that a person is liable on summary conviction for such an offence to a fine not exceeding level 5 on the standard scale; and (ii) to permit an unauthorised licensable activity to be carried on at any place and that a person is liable on summary conviction for any such offence to a fine not exceeding £20,000, or to imprisonment for a term not exceeding six months, or to both.
