

LEADER'S EXECUTIVE SCHEME OF DELEGATION

Responsibility for Leader and Cabinet Functions

Remit

1. The Leader has established a Cabinet to include eight other councillors, including a Deputy Leader. The Leader has allocated a portfolio of executive and leadership responsibilities for each of these Cabinet members, whose terms of reference are described in the following pages.
2. The Leader and Cabinet are responsible for all of those functions of the Authority that are not expressly reserved to other parts of the Council under these constitutional arrangements. These are known as executive functions.
3. The Leader may discharge any of the functions that are the responsibility of the Leader and Cabinet him or herself or may arrange for the discharge of those functions by the Cabinet as a whole, by another member of the Cabinet, by a committee of the Cabinet or by an officer of the authority. These arrangements are described below.
4. More information is set out in Part 2 of the Council's Constitution.

Limitations

5. Those functions that may not be executive functions and do not fall under the responsibility of the Leader or Cabinet, in whole or in some other specified way, are listed in Part 2 of the Council's Constitution.
6. In discharging responsibility for the executive functions of the Council, the decision maker must be aware of the limitations placed upon them. These limitations are that any decision in exercise of an executive function is to comply with:
 - (a) the Budget set by full Council;
 - (b) the Policy Framework set by full Council;
 - (c) the Authority's
 - Access to Information Procedure Rules (including key decision and call-in provisions);
 - Cabinet Procedure Rules;
 - Budget and Policy Framework;
 - (d) an expectation that the Authority's
 - Financial Regulations;
 - Contract Procedure Rules; and
 - Requirements / Procedure Rules as set out elsewhere in the Council's Constitution;will have been complied with in all but the most exceptional circumstances (and if not then explained fully in the minuted reasons for the decision); and

- (e) any legislative requirements and all applicable rules of law.

Arrangements for Discharge of Functions

7. The following sets out how the Leader has decided to arrange for the discharge of executive functions. The Leader may amend these arrangements but will [normally] only do so after first informing a public meeting of the Cabinet.
8. Key Decisions (defined in Part 2 of the Council's Constitution) may be taken by the Cabinet, a relevant Cabinet Committee, Cabinet Sub-Committee by the Cabinet member under whose portfolio the function falls or by the Chief Executive, Deputy Chief Executive, Director, or Head of Service under whose managerial responsibility the executive function falls.
9. Where a Cabinet Committee or a Cabinet Sub-Committee has been established, its terms and functions will be set in this Scheme of Delegation.
10. Certain procurement and financial decisions will, according to the value of the transaction concerned, be reserved to the Cabinet, Cabinet member or grade of officer as set out in the Annex to this Scheme.
11. Each Cabinet member's portfolio of responsibility is described below. That portfolio sets out the range of executive functions for which the Cabinet member may be called upon to make a key decision about or to lead the debate when related matters come before a meeting of the Cabinet.
12. Under each portfolio, certain decisions that would otherwise fall within the scope of each Cabinet member's portfolio will be reserved for consideration and decision by a meeting of the Cabinet, Cabinet Committee or Cabinet Sub-Committee.
13. Under each portfolio, certain decisions that would otherwise fall within the scope of the managerial responsibility of the Director, or Head of Service concerned may be reserved for consideration and decision by the Cabinet, a relevant Cabinet Committee, Cabinet Sub-Committee or by the Cabinet member under whose portfolio the function falls.
14. Regardless of any other delegation or rule within these arrangements, the Chief Executive / Deputy Chief Executive may take any key decision which he or she considers necessary on the grounds of urgency, efficiency, or cost.
15. All other matters that do not constitute a key decision are delegated to the Chief Executive, / Deputy Chief Executive, Director, or Head of Service under whose managerial responsibility the executive function falls.
16. Even where the Chief Executive / Deputy Chief Executive, Director, or Head of Service hold delegated authority, they must consult the relevant Cabinet member where the circumstances are particularly sensitive or if the decision in question involves changes to policy or strategy and, following consultation, they will normally report the matter to the Cabinet where the Cabinet member indicates a preference for this.

17. The Chief Executive, / Deputy Chief Executive, Director, or Head of Service may delegate any of their responsibilities or powers in exercise of executive functions to any other officer to whom they consider it appropriate to discharge those functions.
18. There are additional executive and non-executive functions allocated to specific statutory and non-statutory officers as set out in the Constitution.
